

Durham PreK

When you complete the Universal Pre-K (UPK) Application, you are applying for a pre-K seat in the following types of pre-K classrooms:

- **Durham Public Schools (DPS)**
- **Durham Head Start (DHS)**
- **Community-based licensed programs**

What do all of these classrooms have in common?

- Birth-Kindergarten licensed teachers
- Research-based curriculum that values play to keep children engaged and excited about learning
- High-quality learning environments
- 5-star rating from [NC Division of Child Development and Early Education](#)

Why Does Durham Have a Universal Pre-K Application?

- Children are considered for all public pre-K seats in Durham County (except for Watts and Morehead Magnet Schools, which use the DPS magnet application)
- Pre-K partners identify the most appropriate classroom for your child

Overall Eligibility Requirements

- Children must be Durham County residents
- Children must turn 4 years old by August 31 of the applying school year

What Is Considered During Child Placement?

The Pre-K Partners ([DPS](#), [DPfC](#), [DHS](#) and [Early Years](#)) consider the following information for child placement:

- Designated address (home or work, identified by applying parent or guardian). DPS can **only consider a family's home address for placement.**
- Sibling school location
- Family' school preferences. Families are able to select their top 3 choices within their application based on their program eligibility. Preferences **cannot** be guaranteed. Families can indicate a preference to be placed with DPS, but **cannot** select specific DPS sites.

Each applicant child will be considered for all classrooms types they are eligible for based on the requirements listed below.
