

Teacher Calendar 2020-2021

Important dates, Deadlines, and Professional Development Days

NC Pre-K and Durham PreK are committed to a collaborative effort in providing professional development opportunities for all pre-k teachers. It is our belief that the expertise and experiences of our early childhood educators are a valuable resource. As such, we look forward to working in collaboration with NC Pre-K and Durham PreK sites to create a culture of continuous learning, reflection, and growth throughout this school year. The PD opportunities offered below will be open to all NC Pre-K and Durham PreK teachers and assistant teachers so long as the training does not have a limit on the number of participants.*
