The DPK Governance Committee members have been concerned about the impact of the pandemic on families and the early childhood infrastructure in Durham.

At the August 2021 Governance Committee meeting, a motion was approved to ***WAIVE all parent fees for the school year 2021 – 2022.***

This support for Durham's families of young children is in response to the challenges resulting from the pandemic. Please contact us with any questions or concerns. The notes from the Governance Committee meeting are available for review to illuminate the support for this initiative.
